ASSET SPECS

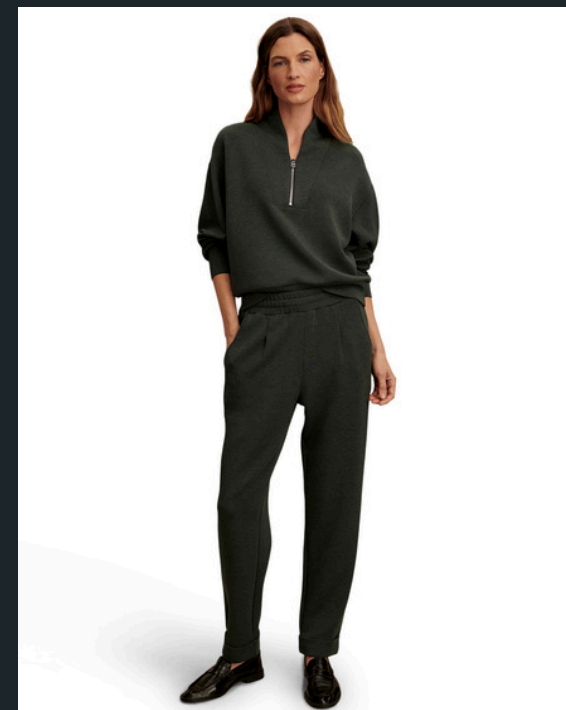

Required Image Attributes:

- Orientation: Portrait/Vertical
- Dimensions: 3000px (1200x1800) or greater
- Aspect Ratio: The recommended aspect ratio is 2:3 or 3:2 depending on the orientation of the images. Other aspect ratios are allowed, but they will need to be retouched to work on site.
- Image Size: Width and height should add up to 3,000px or more while maintaining a 2:3 aspect ratio.
- Resolution: 300dpi
- Colorspace: RGB
- White background is preferred

2:3 (Vertical)

3:4 (Vertical)

1:1 (Square)

LIGHTING

Assets must be in focus and professionally lit with a natural quality, crisp shadows and slightly filled to avoid harsh contrast

Images will not get approved if they are:

- Over-processed
- Over-saturated
- Over-exposed
- Under-exposed

Lighting must capture an accurate representation of the garment and the model's profile and complexion.

STYLING

Styling and additional detail shots are preferred to showcase features and functions of the garment.

- Clothing Closure
- Type of Waistband
- Removeable Feature
- Reversible and/or Convertible Features
- Packable Options
- Logos

PROPS

Props and accessories should accentuate the garment and not compete or obstruct its details.

Images will not get approved if they include the following:

- Food
- Weights/Workout Equipment
- Anything trademarked or copyrighted

TALENT & ART DIRECTION

Vendor is solely responsible for acquiring perpetual rights for all talent booked in their imagery to be featured on Zappos and its subsidiaries.

Talent cannot have any visible tattoos or body art that includes any of the following:

- Gang signs
- Nudity or any other sexually offensive content
- Inappropriate names or symbols
- Content that promotes violence or drug use

ON-FIGURE APPAREL GUIDELINES

IMAGE REQUIREMENTS

- Required minimum of 2 shots
- Main shot of front and back of the garment required
- On-model images are preferred to showcase the fit of the garment
- No visible nudity

REQUIRED FRONT

REQUIRED BACK

SWIMWEAR

- Require a minimum of 3 shots
- Swimsuit sets should be shot together.
- No miss-matched bottoms if set cannot be shot together
- Reversible swimwear to be shot showing both ways of wearing
- Include a cheater strap image if the style has a cheater strap
- Plus-size styles should be shot on a plus-size model
- On-model images are preferred to showcase the fit of the garment

SWIMWEAR COVER-UPS

- Require a minimum of 2 shots

When not sheer:

- Cover-ups should be shot without swimsuit underneath

When the cover-up is sheer:

- A basic black or white should be shot underneath.

INTIMATES

- Bras and Underwear must be styled as intimates not as tops or regular clothing.
 - Thong type undergarments need to be cropped or turned to the side.
 - Any item that is not a bra or part of an intimate set needs to be styled with pants.
- Bodysuits should be styled with bottoms in the main (hero) image.
 - Additional images may show the product un-styled.

Visible nudity is not permitted on Zappos or its subsidiaries and must be cropped or edited out when applicable
